

PRESS RELEASE

THE GROWTH OF TRANSKON JAYA TBK VEHICLES

Balikpapan, 02 November 2021 – Even though Indonesia is still shrouded in the covid-19 outbreak for almost the last two years, the transportation company that provides vehicle rental services from the city of Balikpapan, East Kalimantan, PT Transkon Jaya Tbk continues to show rapid development in each period. Based on company data, in July 2021, the company owned 2,245 vehicles and as of the end of October, the number of light vehicles owned by the company was recorded at 2,456 units. This increase in the number of vehicle units occurred in line with the increasing demand for vehicle rental obtained by PT Transkon Jaya Tbk.

The increase in the number of vehicles owned by PT Transkon Jaya Tbk is the result of the company's performance which always pays great attention to the quality of the vehicles it manages. PT Transkon Jaya Tbk continues to strive to demonstrate excellence and improve its quality. Such as, providing quality service facilities for rented vehicles, repair facilities at each customer's mining location, the ability to reach remote areas, as well as the ability to modify vehicles according to the needs to support the customer's business activities. In addition, the type of business coverage of PT Transkon Jaya Tbk also continues to grow rapidly and reaches many types of industrial sectors, specifically coal mining, nickel, minerals, gold, and even infrastructure with a wide area coverage, starting from Sumatra, Kalimantan, Java. , Sulawesi and Papua.

Doesn't want to be complacent easily and only focusing on one development, PT Transkon Jaya Tbk also shows its seriousness as a company that is able to compete globally with guaranteed quality of services offered. This seriousness is aimed at the company through obtaining the ISO 9001:2005 certificate in mid-November 2021. With the acquisition of ISO 9001:2015 certification, it is expected to improve the quality and credibility of the company. In addition, PT Transkon Jaya Tbk also wants to demonstrate its ability as a company that is able to adapt quickly to a constantly changing environment as a source of competitive advantage in the business world. By continuing to pay close attention to the business environment, as well as being able to improve the company's performance and adapt to

changes that occur, it is hoped that the company can continue to survive and expand its market reach
