### **INTERNATIONAL SEMINAR ONLINE WORKSHOP PT TRANSKON**

#### **JAYA TBK**

Balikpapan 27 May 2021,

As a form of Corporate Social Respond (CSR) concern in the world of education, PT Transkon Jaya Tbk will hold an International Online Workshop on Environmental, Social, and Governance themed ESG in Companies Across South East Asia at the end of May. Armed with the long experience of PT Transkon Jaya Tbk in the world of education, and as evidenced by several collaborations with Vocational High Schools and Colleges in the Balikpapan city area, East Kalimantan until finally International.

This seminar was initiated by PT Transkon Jaya Tbk in order to open a window of education in the region to the international level, so that at times like this our productivity in the world of education will not be limited, let alone stop. This seminar was also attended by Catanduanes State University Philippines, Balikpapan - Indonesia College of Economics. Also invited are resource persons related to ESG, including Ma Katreena Pillejera as Country Manager of Global Reporting Initiative Philippines who discussed "Pathways to Sustainability Education while bridging with Business Transparency and Accountability, and continued by Maria R. Nindita Radyati, PhD, Dip .Cons, Dip. PM, Cert.IV IRM, Executive Director of Center For Entrepreneurship, Change, and Third Sector (CECT) Trisakti University, VP Learning Indonesia Global Compact Network (IGCN), and Participant Member of United National Global Compact (UNGC) who discussed " Introduction of the United Nations Global Compact (UNGC) and Its Principles, the Strategies to reach ESG and SDG's goals and how it can be the BASIC for the Participants to apply it to the business sector. This international seminar was also opened by the President Director of PT Transkon Jaya Tbk, Mr. Lexi Rompas, who said "It is an honor for me to open an international webinar on Environmental, Social and Corporate Governance (ESG), and we have a very important background. why we finally raised the topic to be presented by the best speakers in their fields to all participants.

Seeing from the enthusiasm of all parties who are invited to work together to hold this online Webinar, it shows that the state of the world of education in Indonesia and in the world is very open to new knowledge. This is indicated by the short preparation time made by the Corporate Secretary of PT Transkon Jaya Tbk to initiate and invite several high schools in Indonesia and abroad. Even though the preparation time is short, this is TRJA's biggest dream to be able to reach universities at home and abroad, to open a window of knowledge to what

is and is happening in the world of the economy and government in general today. So that with short preparations, PT Transkon Jaya Tbk's planning for the International Online Webinar is quite mature, so that both the speakers and participants are well structured and it is hoped that the knowledge conveyed by these professional speakers will provide more knowledge to the majority of participants. students and college students.

And also of course in the future this will be a motivation for PT Transkon Jaya Tbk, to be more aggressive in building collaborations such as this webinar or other forms in the future with Universities, Colleges, and all lines of Education that can be invited to work together to build a civilization of higher quality human resources.
