

PRESS RELEASE

FULFILL COMMITMENTS TO THE ENVIRONMENT AND OCCUPATIONAL HEALTH AND SAFETY, PT TRANSKON JAYA TBK PREPARING TO OBTAIN ISO 14001 & ISO 45001 CERTIFICATES

Balikpapan, 16 Februari 2022, PT Transkon Jaya Tbk as an economic entity does not only focus and care on business expansion and marketing, but also focuses on improving Performance Management, Occupational Safety and Health. In addition, the company also focuses on its responsibilities to the environment, such as resource sustainability, pollution prevention, climate change mitigation and minimizing environmental impacts due to the company's operational activities. Where this is in line with the Company's mission to be committed to providing and realizing a safe and healthy work environment and environmental conditions that support the Company's business development, as well as carrying out business activities in a professional and open manner by implementing a management system in accordance with established standards.

Showing seriousness in realizing this commitment, PT Transkon Jaya Tbk is currently in the process of obtaining ISO 14001 (Environmental Management) and ISO 45001 (Occupational Health & Safety Management System) Certificates. ISO 14001 is an international standard that defines the requirements for a structured management approach to environmental protection. This system will assist the company's management in its function to ensure that the company's operational and business activities have fulfilled commitments to the environment, especially in efforts to comply with environmental regulations, pollution prevention and commitment to continuous improvement. Then ISO 45001 which is an International Standard that becomes a reference for controlling and improving occupational safety and health (K3) performance management, ISO 45001 Standard will assist the company in creating a standard of a safe and healthy workplace for employees and visitors. It is necessary to control all factors that may lead to illness, injury, and in extreme cases death, by reducing the adverse effects on a person's physical, mental and cognitive condition.

Previously, PT Transkon Jaya Tbk closed 2021 by obtaining the ISO 9001:2015 (Quality Management System) Certificate, and will start 2022 with the International Organization for Standardization (ISO) 45001 and ISO 14001 certifications as a form of the company's commitment to continue to provide quality products and services. services with the best standards as well as the company's efforts to make continuous improvements and improvements related to the company's business activities.
