

PRESS RELEASE

PT TRANSKON JAYA TBK COMPLETE THE PROGRAM BOOSTER VACCINE FOR EMPLOYEES

Balikpapan, 20 March 2022, To prevent the ongoing transmission of the Covid-19 virus, PT Transkon Jaya Tbk provides the third dose of vaccine (booster) to employees through the Gotong Royong Vaccination program, a government program for the implementation of vaccinations for employees whose funding is borne by legal entities or business entities, where this has been regulated in Minister of Health Regulation Number 10 of 2021 and has been started since May 17, 2021.

PT Transkon Jaya Tbk always applies the principles of ESG (Environmental, Social, and Governance), and the implementation of the Mutual Cooperation Vaccine Program shows the company's efforts to contribute to the social sector, one of which is ensuring the health of the workforce by providing vaccines. It is hoped that the administration of the third dose of vaccine (booster) will help PT Transkon Jaya Tbk employees maintain immunity and increase clinical protection, so it is hoped that while carrying out operational activities at the company, it can run safely and smoothly. The third dose of the Gotong Royong (booster) vaccine is administered in three stages: March 23, April 1, and May.

PT Transkon Jaya Tbk realizes that a work environment is a place where the spread of the Covid-19 virus is prone to occur. Hence, in addition to carrying out vaccines to prevent the Covid-19 virus, the company always urges all employees to implement good hygiene and sanitation to suppress the spread of the virus. So as not to expand.
