

PRESS RELEASE

NOT ONLY RENTAL UNITS, PT TRANSKON JAYA TBK ALSO SELL USED CAR

Balikpapan, 25 July 2022, PT Transkon Jaya Tbk is a company that specializes in 4x4 and 4x2 vehicle rental for the mining industry, oil & gas industry, and construction. However, apart from renting out vehicles, PT Transkon Jaya Tbk also sells used cars (disposal units).

The disposal car itself is a car owned by PT Transkon Jaya Tbk, which has been used to operate for about 3-4 years, which time is following the useful life set by the company in terms of vehicle operations in mining areas. Following up on the car whose useful life has expired, PT Transkon Jaya Tbk sells these used cars, commonly referred to as disposal units. Buyers of disposal units belonging to PT Transkon Jaya Tbk are quite diverse from several groups, ranging from individuals, and workshops, to companies that are also engaged in vehicle rental services. Disposal units usually purchased by customers are used for various things, ranging from personal and business, modified into other forms, to their needs for some of the components contained in the car, including engines, spare parts, to accessories on the vehicle.

The company has also expanded opportunities for the general public to purchase disposal units belonging to PT Transkon Jaya Tbk through the company's website, which can be accessed at www.transkon-rent.com/disposal. Through the website, of course, it will also make it easier for prospective buyers of disposal units to be able to access information about the units they will buy, in addition to selling disposal units belonging to PT Transkon Jaya Tbk, which so far are unknown to many people, are expected to be known by those who are familiar with it.
